

KHUSHI TAYAL

📞 9244046950 — ✉ Mail — 🌐 linkedin — 🐙 github

Objective

Motivated and detail-oriented IT student with a passion for web development, programming, and emerging technologies. Looking for an opportunity to leverage my technical skills in a collaborative and innovative environment.

Skills

Languages	Python, C++ , Java	Web Development	HTML, CSS, JavaScript, SQL
Cloud Platforms	AWS, Google Cloud	Problem Solving	Data Structures and Algorithms (DSA)
Devops Tools	Git	Data Analysis	Pandas, NumPy, Matplotlib, Seaborn

Experience

Intern PE

Aug 2023 – Sept 2023

Web Development (Intern)

- Interactive and visually appealing web pages built using HTML, CSS, and basic JavaScript.
- Designed and structured responsive layouts for improved user engagement across devices.
- Gained experience in integrating user-friendly UI and ensuring website responsiveness.

Bharat Intern

Sept 2023 – Oct 2023

Full Stack Web Development (Intern)

- Developed a responsive E-Commerce website for electrical products using HTML, CSS, and JavaScript.
- Implemented interactive features, including a dynamic product display and shopping cart.
- Optimized site responsiveness for both mobile and desktop users.
- Enhanced the performance and design of existing projects while maintaining code quality.

Projects

Electrical Shopping Website

Github/Electrical-shopping-website/repo

- Designed and built a responsive e-commerce platform for electrical products.
- Dynamic product display and categorization for easy navigation.
- Responsive Design ensuring compatibility on multiple devices.
- Interactive shopping cart with product add, update, and delete functionality.
- **Technologies used:** HTML, CSS, JavaScript

Project Management Tool

Github/Project-Management-Tool/Repo

- Developed a task management web application to manage and track project workflows.
- Feature: Task creation, assignment, and status tracking.
- Interactive dashboard for progress updates.
- Improved project management and organizational skills while learning dynamic front-end design.
- **Technologies used:** HTML, CSS, JavaScript

Education

Madhav Institute of Technology and Science

BTech in Information Technology(AI and Robotics) CGPA - 8.12/10

Gwalior

Nov 2022 – Present

Jyoti Convent Senior Secondary School

12th CBSE Board Percentage - 90/100

Biaora, Rajgarh Dist

2021

Position of Responsibility

Asimov Robotics Club

Core Team member

MITs Gwalior

September 2023 – Present

- Organize workshops, hackathons, and technical events to promote robotics and automation among peers.
- Assisted in mentoring junior members in robotics fundamentals, Arduino programming, and robot design.
